

ATTACHMENT E

STATE OF ILLINOIS
ILLINOIS COMMERCE COMMISSION

COMMONWEALTH EDISON COMPANY

Petition for approval of a tariff pursuant to Sections 9-201 and 16-110 of the Public Utilities Act setting forth a change in the general conditions of Rider PPO without requiring forty-five days notice.

Docket No. _____

**AFFIDAVIT IN SUPPORT OF ONE-TIME PROPOSED CHANGE IN PPO
 CONTRACT ADMINISTRATION**

Stan E. Ogden, having been duly sworn, deposes and says as follows:

1. My name is Stan E. Ogden, Director of Energy Sales for Central Illinois Light Company (CILCO). CILCO is a certified Retail Electric Supplier doing business in Illinois in the Commonwealth Edison service territory.
2. Recent MVEC (Market Value Energy Cost) calculations under the existing tariffed methodology have made it difficult to cost effectively supply power and energy to retail customers.
3. We at CILCO have recently made wholesale energy supply arrangements that will allow CILCO to cost effectively flow power and energy directly to our retail customers.
4. Commonwealth Edison has identified plans to file a petition seeking approval of tariff changes that will allow retail customers to have a one-time choice to opt out of pending and existing PPO Contracts prior to normal termination requirements.
5. Due to the current market conditions we fully support ComEd's temporary changes to the Rider PPO Tariff and strongly urge the Commission to approve these terms and conditions. CILCO feels these one-time tariff provisions will be valuable to the marketplace in Illinois.

FURTHER affiant sayeth not.
